Elounda Beach Spa

Your serenity, in peaceful harmony.

Immerse in the beauty and peace of a protected environment, surrounded by luxuriant, verdant nature.

You can live this dream at

Grow young, relax, and detoxify, thanks to personalised programs designed to restore the perfect energy balance.

Elounda Beach Spa in Crete.

A heaven, away from daily stresses and surrounded by the magical Cretan landscape overlooking the crystalline waters of the Aegean Sea.

Our guest's relaxation and rejuvenation will be enhanced with unique treatments provided by a specialised team of

dedicated professionals and therapists.

Actifs Chenot: 40 years of experience and research.

From a diverse range of organically cultivated marine and terrestrial flora, the Chenot Actifs produces exquisite and fragrant products which stimulates the youth and the purity of our guests by elevating the body's energy balance.

With over 40 years of experience and research, these unique products are extracted from floras energy synthesising structures.

The roots, stems and leaves are all gathered and utilised to produce 100% natural essential oil blends.

Each oil functions to a specific area of the body and consists of eight unique products; Yin, Yang, Relax, Detox, Lymph, Cellulite, Solvant and Regen, under the Chenot Actifs line.

These blends are the foundation of the Chenot treatments which reduce or eliminate the build-up of toxins, blemishes, and muscular tension from excessive stress and fatigue.

Hydro Biontology Department

Stimulate your circulatory and lymphatic systems through the alternation of water pressure and temperature.

The therapeutic value is enhanced with the help of essential oils, plant extracts and marine algae. Ideal treatment for the blood vessels, the lymph and to tone and firm the body.

Hydro Biontology Department

Hydro-Aromatherapy

25 min - 70 €

This is a particular type of hydro massage in which a special mixture of essential oils is added to a water bath.

The variations in the water temperature and pressure are critical and combined with the thermodynamic effect of plant extracts cause the dilation and constriction of the skin capillaries.

This action stimulates the natural physiological functions to remove toxins and fat deposits from the skin tissue.

It also combats the effects of skin ageing by favoring spontaneous cell regeneration, improves skin appearance and its overall peripheral blood and lymphatic circulation.

The hydro-aromatherapy is a genuine rehabilitative treatment that tones and strengthens the skin, balances the body fluids and energy and relaxes both body and mind.
